

Wessex School of Psychiatry ARCP Summary Document for Core Trainees

The following are the minimum necessary requirement which must be present on the eportfolio 7 days prior the scheduled ARCP date.

Less than full time trainees will have both annual and gateway ARCPs. Gateway ARCPs are held at the end of a training year when a whole 12 months of evidence will be required in the eportfolio. If annual ARCPs do not fall at the end of a training year it is expected that there will be sufficient evidence on the eportfolio to indicate satisfactory progression in training.
