

# SHAPING FUTURE SERVICE

**Dr Sarah Schofield**  
**GP Chairman West Hampshire Clinical**  
**Commissioning Group**

# Pathway

West Hampshire  
Clinical Commissioning Group

- GP partner
- Portfolio career
- Primary care
- Secondary care
- National
- CCG Chairman
- Education

# Today

West Hampshire  
Clinical Commissioning Group

- Introduction
- Clinical Commissioning Groups?
- Key Aims
- Vision for Services

# The NHS Reform

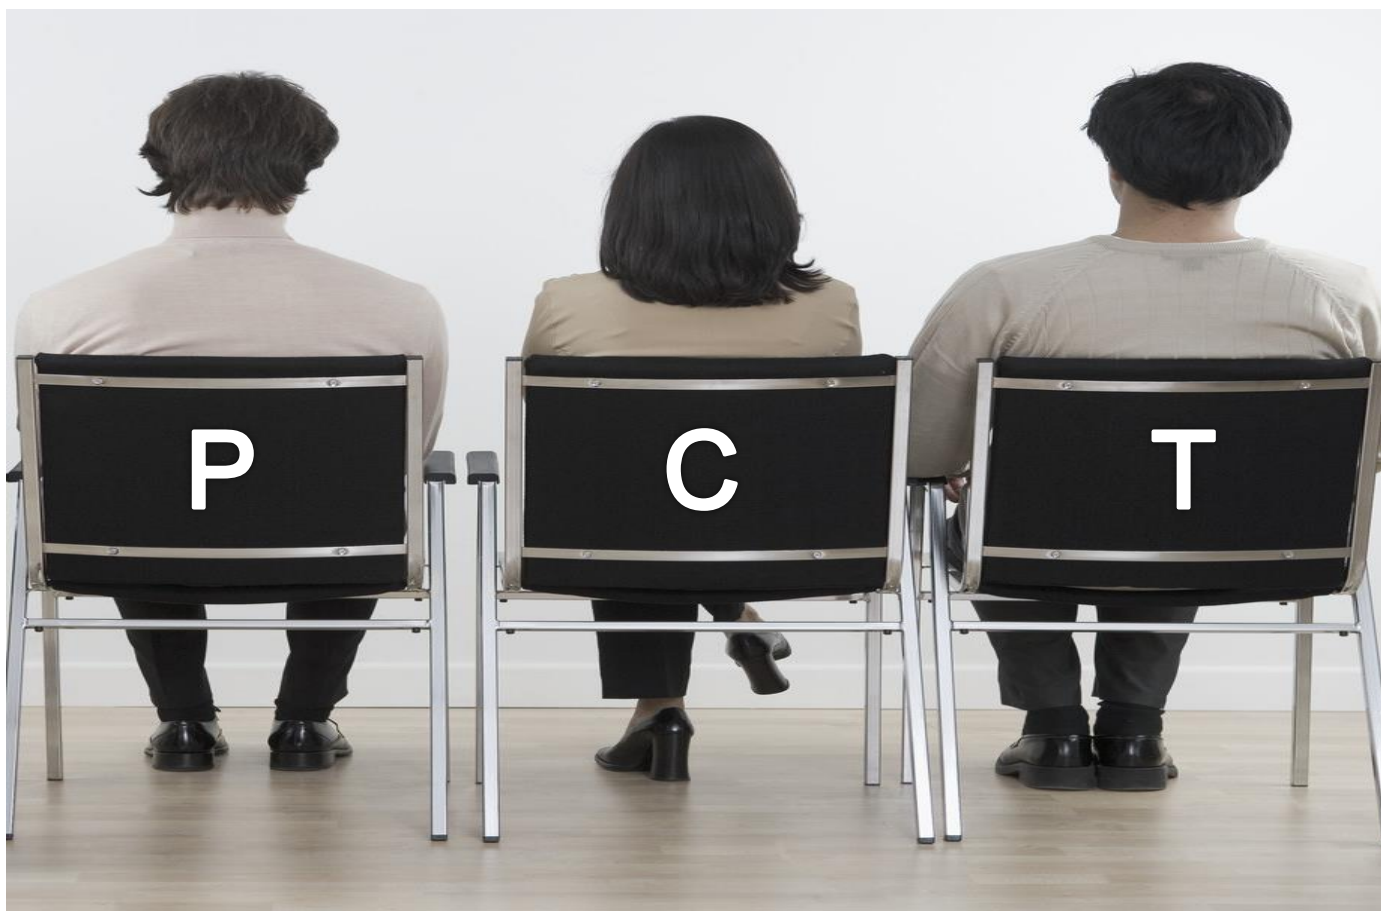

West Hampshire  
Clinical Commissioning Group

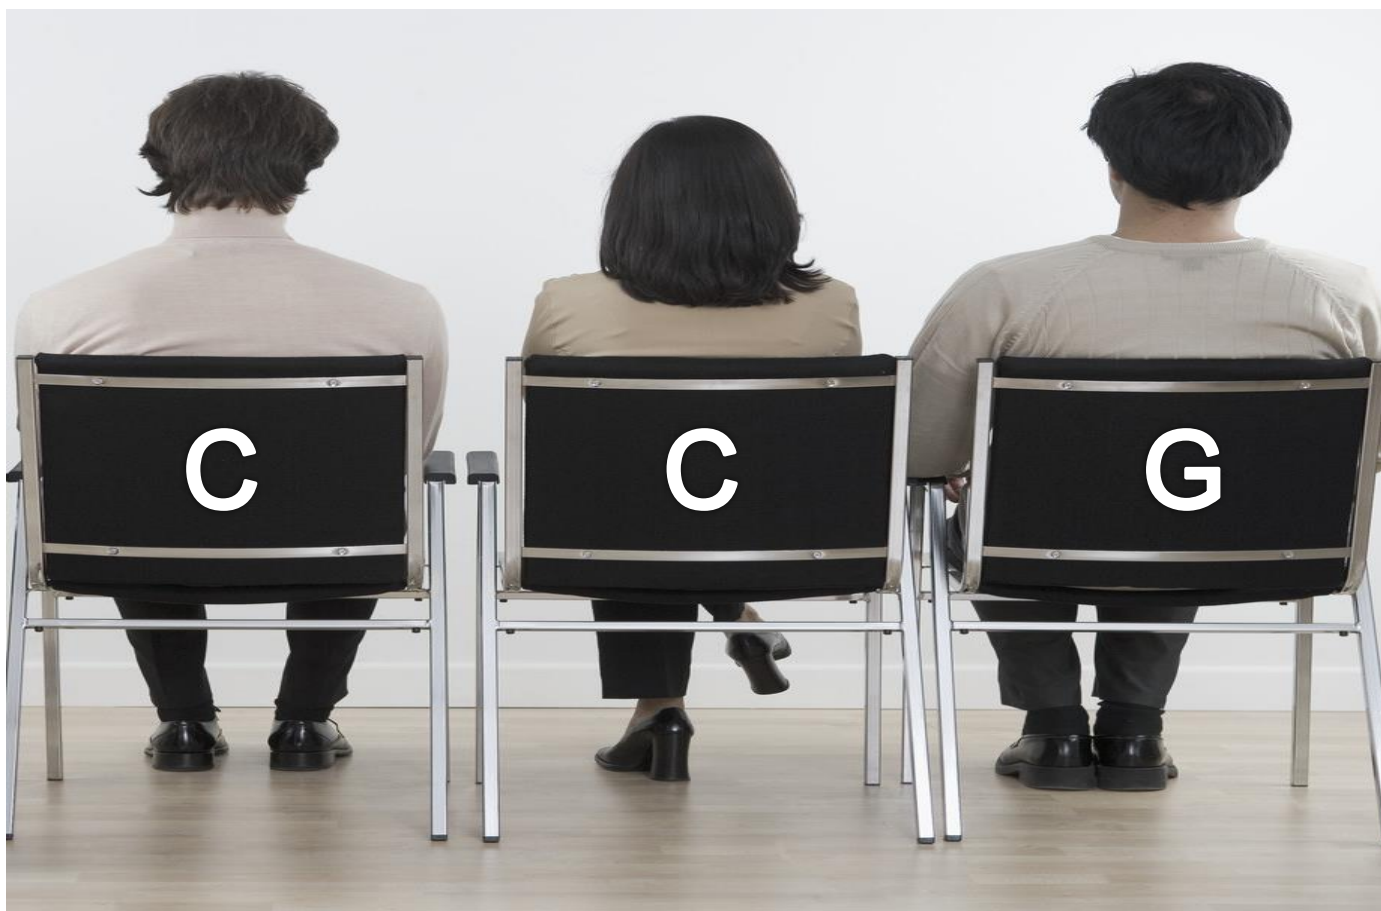

- Health and Social Care Act 2012
- Most extensive re-organisation of NHS to date
- GPs to take over commissioning 80% of NHS services in England (£60bn of NHS funds)
- Formation of *212 CCGs*
- SHAs & PCTs abolished by April 2013
- CCGs assume their new statutory responsibilities from 2013/14

# What is a CCG?

West Hampshire  
Clinical Commissioning Group

- Responsible organisation, not advisory
- Membership organisation
- Commissioning for whole defined population
- Budget holder
- Role in commissioning not provision of GP
- Board – defined

# What does this mean?

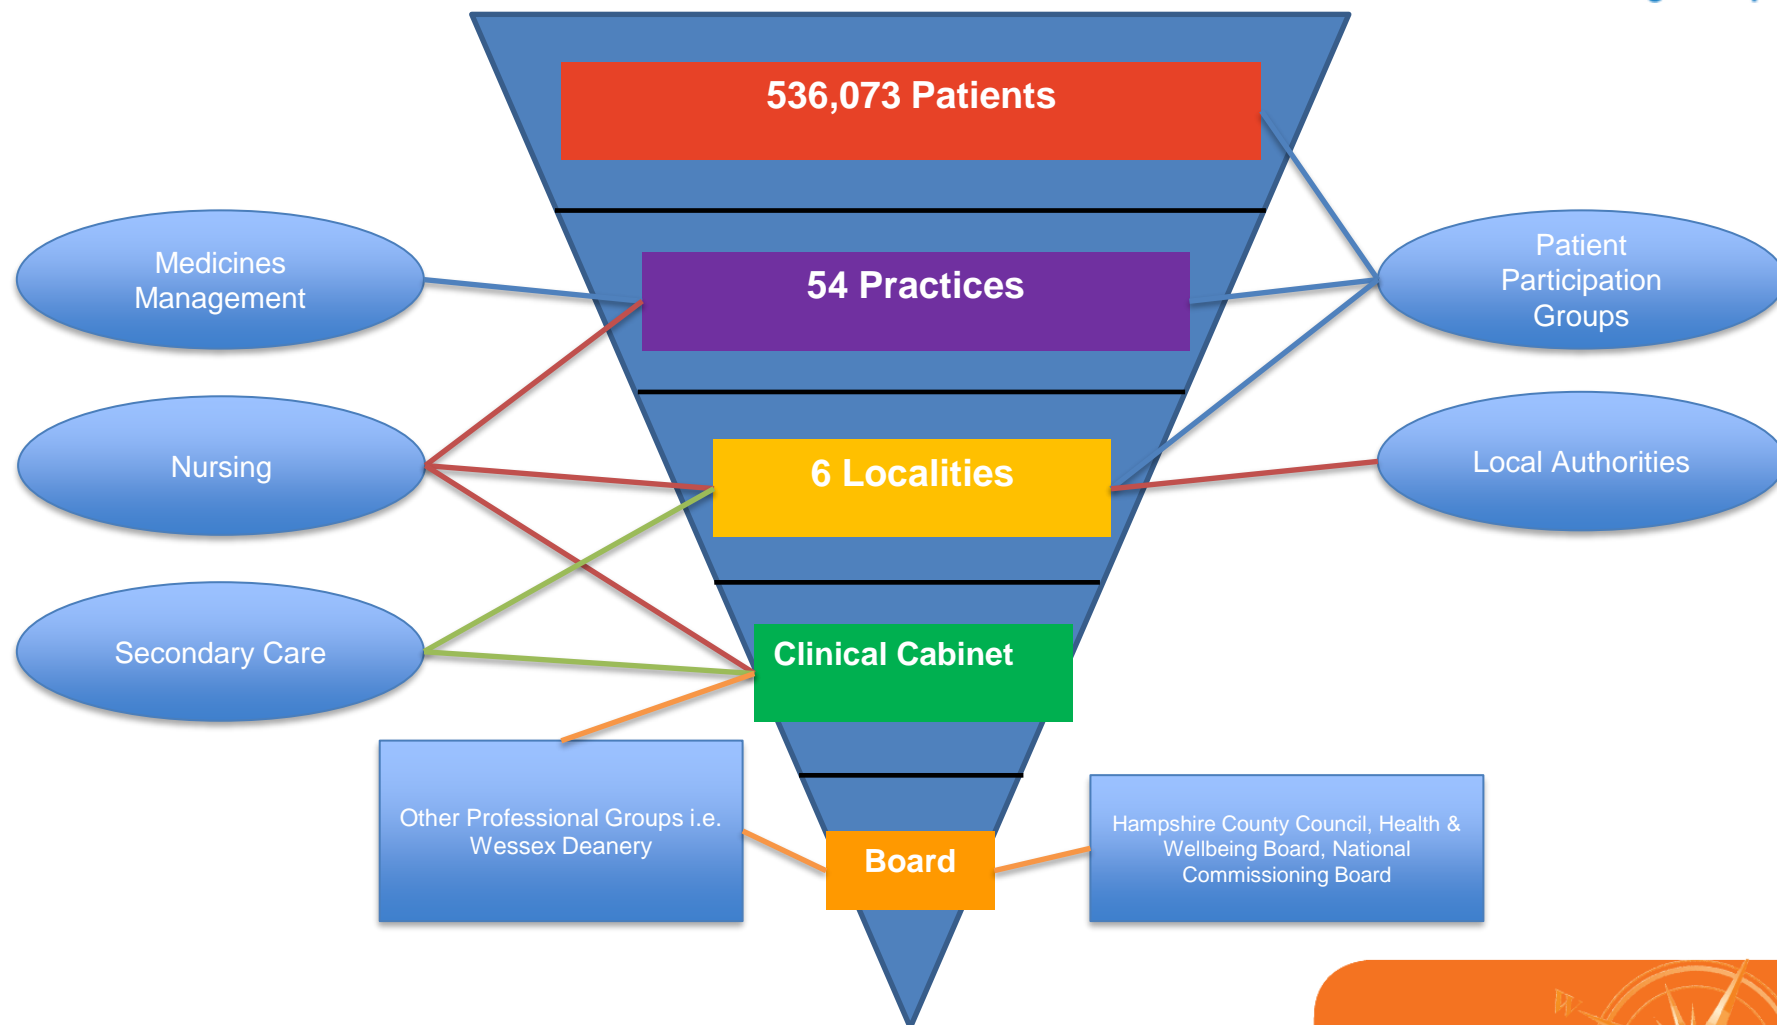

West Hampshire  
Clinical Commissioning Group

- GPs working in Practices
- GP leaders working with expert managers
- Accreditation of GPs, managers & organisations
- “Purchase” of local services – hospital and community
- Not “Specialist” services and Primary Care

# The Membership Model

# Opposing teams

# Standing on the side lines

West Hampshire  
Clinical Commissioning Group

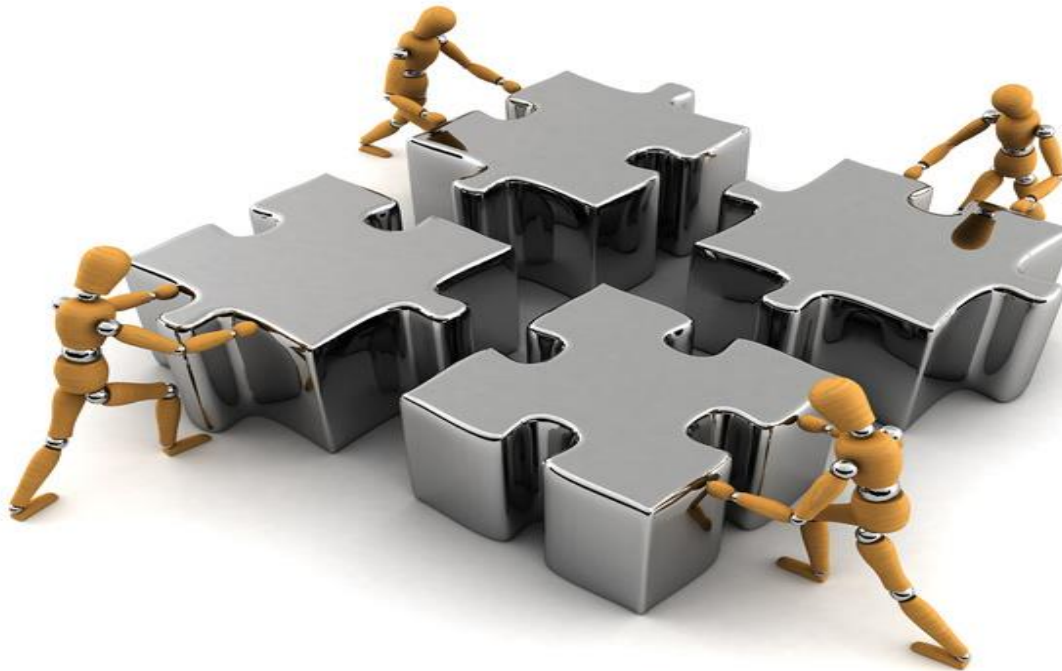

Quality services better health

# Joint effort

West Hampshire  
Clinical Commissioning Group

Quality services better health

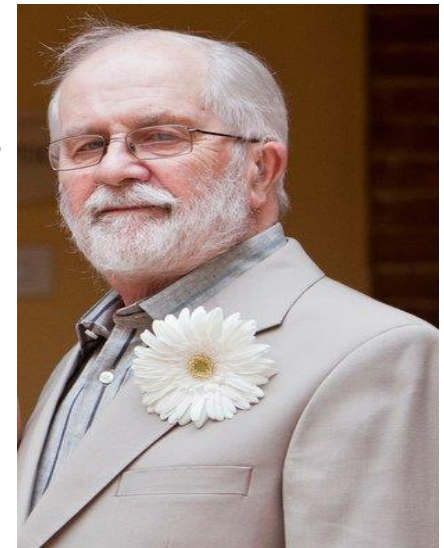

# Key Aims

- **Putting patients at the centre of everything we do**
- **Embedding clinical leadership and engagement**
- **Delivering QIPP**

# Putting patients at the centre

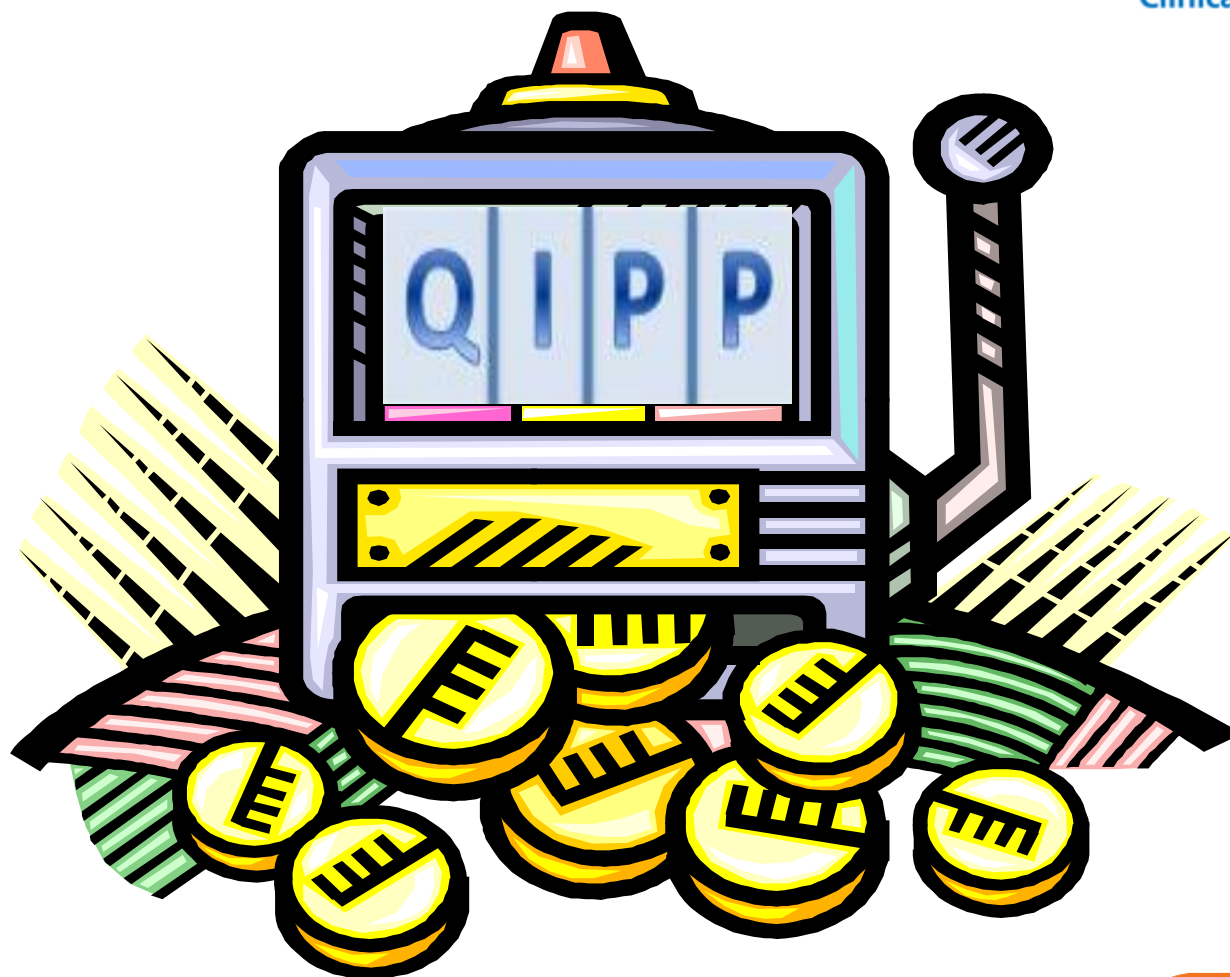

- Patient experience & safety
- Outcomes
- Unique access
- Involved at every stage – self care, pathways, service design
- Strategy development

# Clinical leadership

- Vital for quality of care
- Major redesign, care pathways and budgets
- Commissioning is not simply contracting
- GPs directly involved ?who else
- Francis report – all responsible
- Current and future leaders – long term

# Quality, Innovation, Prevention & Productivity

West Hampshire  
Clinical Commissioning Group

- Quality – PROMS feedback
- Innovation – Tele-health
- Prevention – Management plans
- Productivity – Staff morale & absence

# Vision for Services
