“Just to say ‘thank you’ for coordinating this and to confirm how well it worked. I got to see a [.....] consultant dealing quickly with uncertainty, little computer technology (!) and demonstrating how to inspire trust and delegate well. Some of my assumptions of how hospitals work were helpful de-bunked and I think Mike found similarly when he came out to Moordown!”

Feedback from GP posts

**Very good placement.
I thoroughly enjoyed
it, learnt a lot and had
good support
throughout. Friendly
working
environment.**

**Very nice team.
Good learning
experience. Felt
supported even
when the
workload was high**

**Variety of patient
contact –
Improving
knowledge and
clinical skills in
many areas**

**Good support
during placement
– always
someone to ask
for advice**

**Supervision –
constant access
to help as and
when required**
