

DAY ONE

Paul Sadler
Director of Education
Portsmouth

No Leaks!

Politics driving change

1 trainee said it all

3 key trainees?

Does your CEO hear
trainee feedback?

Visits?

Culture?

“Cure the NHS”

Cure from what?

REVALIDATION

- Mark on a roll
- It has started
- Responsibility
- Communication
- GP's
- Love & Sign Off

Forget the Web, TV, Radio and Print. Smoke signals are the go.

Wickaloon
21 April 2005

A new Pope

No new policy on
contraception

No women priests

No new policy on
celibacy

- Bill Reid a skilful politician
- Couldn't they find an Economist called John?
- Never Been a Golden Age of Training
- Golden Moments?
- 5 themes
- Same tensions
- How many Recommendations?
- Patient Centred
- Kiss more Frogs – individuals and organisations
- What happened after Tooke?

- Planning during uncertainty
- Future Service Model?
- GP working in ED refers more
- Just changing a name
- Generalist
- Hospitalist
- Medical Registrar
- Doing it when your 65?

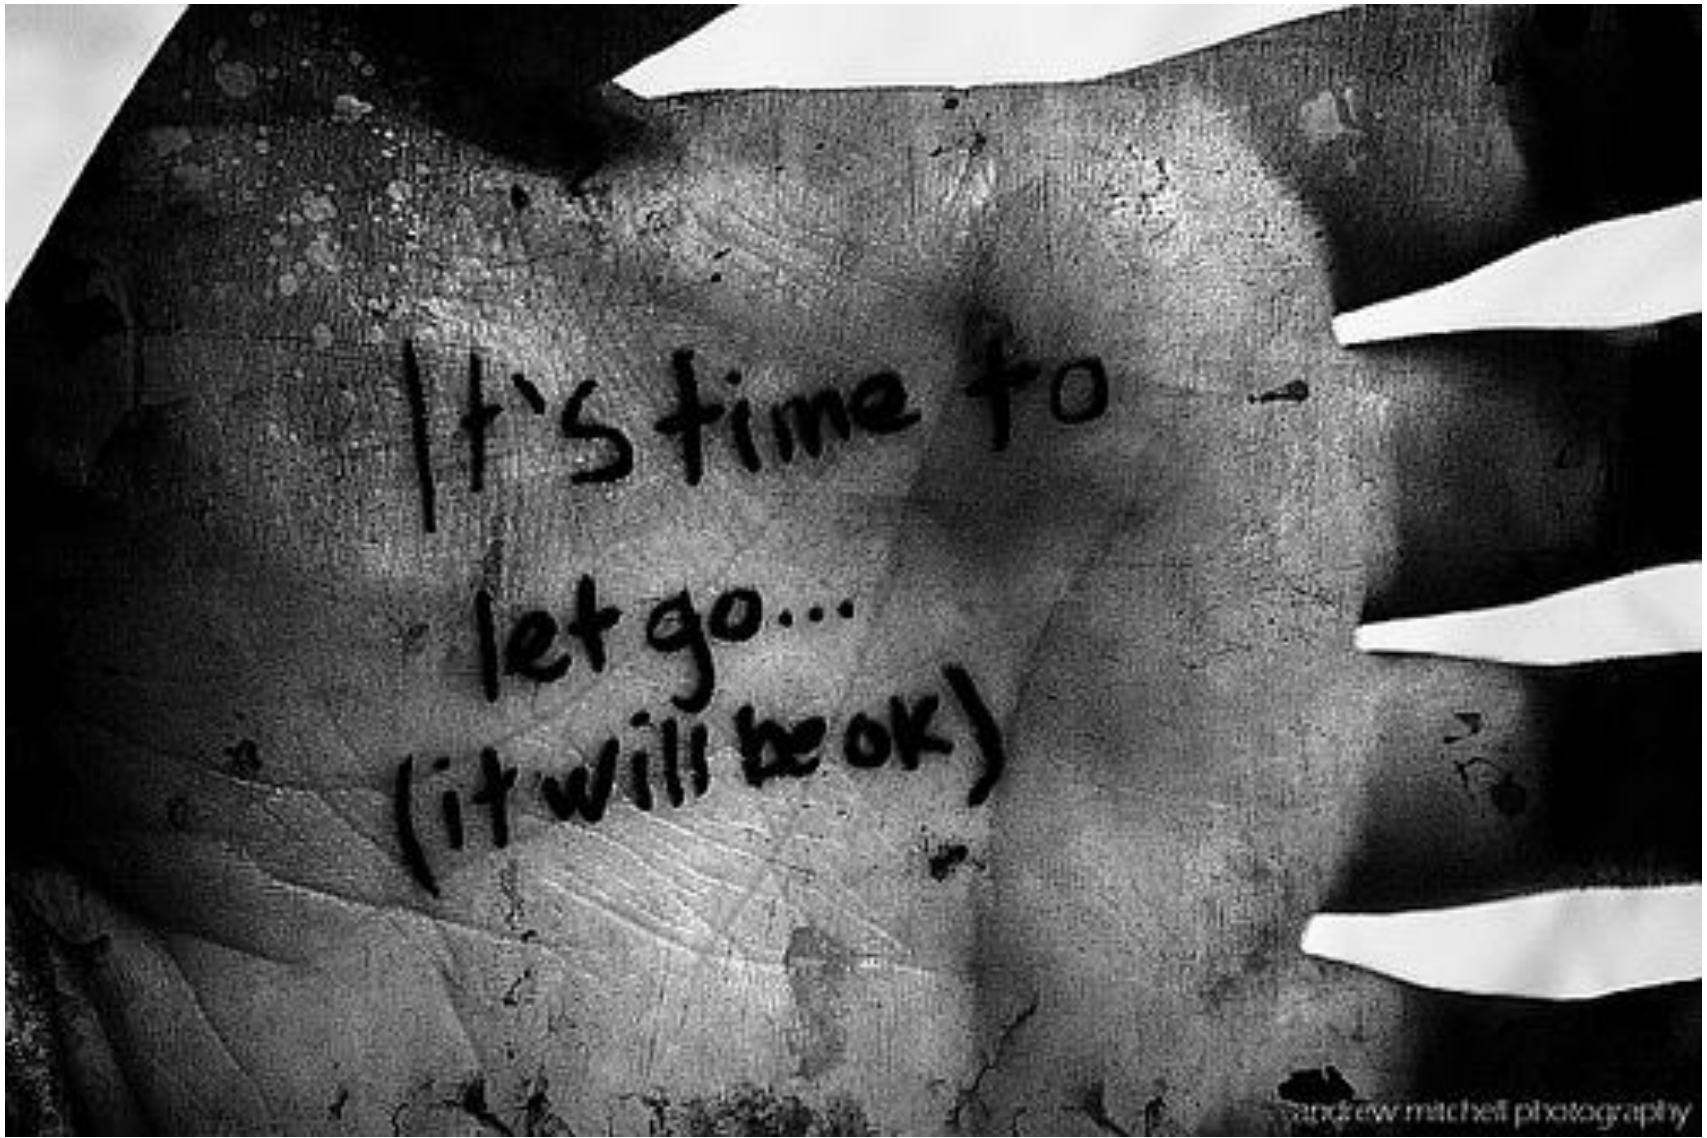

LET IT BE

Orange Juice

RIP IT UP

It's time to
let go...
(it will be ok)

andrew mitchell photography

- Medical Culture
- Cost
- Solution

- Timelines
- Transitions are career / life long.....is lack of support?
- Are absent supervisors like absent teachers?
- Why is real life out of context?
- Medical School Changes
- The killing season

- Sky Procycling
- Bruce Springsteen
- Chris Moyles Show
- Chair of LETB

- SUCCESS
- Presentations, publications, service change, open doors, > 1000 TT providers, franchising, HI that works!
- Naive to Progress
- “Love” and Time bring Progress
- More employable?

- Small can be Beautiful
- Smart Casual – a male problem?
- Colour coordination key to Success
- Education as the foundation
 - Are we getting buried?
 - Can we be strong enough?
 - Time to Care
- Can we identify / train values?
- NO TOP SLICING
- Making large change at time of stress

OPEN DOOR POLICY
