

Care of Clients with Minor Illness

short course

A **fully funded**, accredited five day programme for Nurses. This course aims to develop the skills for Practice Nurses and Nurse Practitioners working in Primary Care.

This introductory course will enable you to critically evaluate, audit and develop the care required for clients presenting with minor illness.

Following the course you will be able to:

- Holistically and effectively assess client need using a systematic framework
- Critically appraise the evidence base and implement care for the three most common presenting minor illnesses
- Audit and evaluate the care provided and use the data to develop and enhance the service you are providing.

Location: Lansdowne Campus,
Bournemouth

Entry Requirements: Applicants must be working as a Practice Nurse

or within a NHS Trust, and should have a DipHE (or equivalent) or undertaken study at a minimum of diploma level

Award: 20 credits at degree or Master's level

Course dates:

9, 10, 16, 17, 23 February 2021

Please contact Pippa Stupple, Programme Director, General Practice Nursing on Philippa.Stupple@hee.nhs.uk to confirm your place.
