Teaching Programme Details: if you would like to receive individual meeting links for any of the session listed below, please email england.canceranddiagnostics.se@nhs.net

Date / Time	Faculty	Session Details
06.01.2025 Mon: 12-1pm	Luisa Roldao Pereira	Diagnostic / Reporting Radiography Introduction to Research Click here to join the session
08.01.2025 Wed: 12-1pm	Debbie Sykora	Mammography The Mammographer Career Journey Click here to join the session
13.01.2025 Mon: 12-1pm	Jael Ramcharitar	Radiology Nursing Uterine Fibroid Embolisation Pathway as a Day Case Patient Click here to join the session
16.01.2025 Thurs: 12-1pm	Cat Rivett	Diagnostic / Reporting Radiography The Role of the Radiation Protection Supervisor Click here to join the session
20.01.2025 Mon: 12-1pm	Annette Morton	Sonography The Sonographer Career Journey (rearranged from 09/01/25) Click here to join the session
22.01.2025 Wed: 12-1pm	Tamsin Arnold	Diagnostic / Reporting Radiography Resilience and self-care: The Second Victim Click here to join the session
24.01.2025 Friday: 12-1pm	Chidinma Nwagbuo	Mammography The Patient Journey - Breast Screening Pathway Click here to join the session
27.01.2025 Mon: 12-1pm	Clara Vieira	Mammography Image Interpretation in Breast Imaging Click here to join the session
28.01.2025 Tues: 12-1pm	Kate Park	Sonography Paediatric Testicular Ultrasound Click here to join the session
03.02.2025 Mon: 12-1pm	Clare Downs	Diagnostic / Reporting Radiography Plain Film Basic Pathology Interpretation: Chest & Abdomen Click here to join the session
05.02.2025 Wed: 12-1pm	Samantha Negus	Sonography Paediatric General Abdominal Ultrasound Click here to join the session

14.02.2025 Fri: 12-1pm	Kate Rowe	Radiology Nursing Radiation Protection for Radiology Nurses Click here to join the session
17.02.2025 Mon: 12-1pm	Dawn Hill	Radiology Nursing Mechanical Thrombectomy Click here to join the session
20.02.2025 Thurs: 12-1pm	Chidinma Nwagbuo	Mammography Other Imaging Modalities Click here to join the session
24.02.2025 Mon:12-1pm	Nancy Cheng	Sonography MSK Ultrasound Click here to join the session
25.02.2025 Tues: 12-1pm	Victoria Smith	Radiology Nursing Interventional Oncology Click here to join the session
28.02.2025 Fri: 12-1pm	Clara Vieira	Mammography Case Study - Atypical Presentation of Breast Cancer – Round / Circumscribed Mass Click here to join the session
03.03.2025 Mon: 12-1pm	Nnenna Moneme	Mammography Interventional Procedures in Breast Imaging: Managing associated risks Click here to join the session
04.03.2025 Tues: 12-1pm	Eleanor Butterfield	Sonography Ovarian Cyst Classification on Ultrasound Click here to join the session
05.03.2025 Wed: 12-1pm	Andrea Hattabi	Radiology Nursing Liver Biopsy including Case Review Click here to join the session
06.03.2025 Thurs: 12-1pm	Tamsin Arnold	Diagnostic / Reporting Radiography Medicines management Click here to join the session
12.03.2025 Wed: 12-1pm	Lawrence Hutton	Diagnostic / Reporting Radiography AI in Nuclear Medicine and PET imaging Click here to join the session
13.03.2025 Thurs: 12-1pm	Andrea Hattabi	Radiology Nursing Radiologically Inserted Gastrostomy RIG versus PEG Click here to join the session
17.03.25 Mon: 12-1pm	Jessica Smith	Sonography The Salpinges- Ultrasound appearances and differences between hydrosalpinx, haematosalpinx and pyosalpinx Click here to join the session
19.03.25 Wed: 12-1pm	Abigail Webb	Mammography Management of B3 Lesions Click here to join the session
20.03.25 Thurs: 12-1pm	Luisa Roldao Pereira	Diagnostic / Reporting Radiography Session redesign - CANCELLED Click here to join the session
21.03.25 Fri: 12-1pm	Clare Downs	Diagnostic / Reporting Radiography Case Study: Allergic Bronchopulmonary Aspergillosis [ABPA] Click here to join the session

27.03.25 Thurs:1 12-1pm	Jessica Thorne	Sonography Ultrasound Li RADS - Surveillance and screening ultrasound in patients at risk for developing HCC Click here to join the session
28.03.2025 Tues: 12-1pm	Oforiwaa Asare	Mammography Communication Click here to join the session
