Study mode: Blended Learning Version delivered at High Wycombe Campus in September and February.  
Credits: 40

### ENTRY: 2026/2027

This part-time course is designed for nurses and nursing associates new to general practice nursing. It aims to empower General Practice Nurses (GPN) and Nursing Associates (RNA) to learn the foundational knowledge and skills required in Primary Care.

**Start date:** 30<sup>th</sup> September, 2026

**Enrolments:** Now open

**Funded:** NHS England

**Applications close:** 16<sup>th</sup> September, 2026

The relevant local learning environment lead will be in contact with next steps.

What should I do if either the student or practice/PCN are struggling with this programme of study?

In the first instance please contact the Primary Care School team inbox [england.primarycareschooltvw.se@nhs.net](mailto:england.primarycareschooltvw.se@nhs.net) and the course lead at the university – [PrimaryCareNursing@bucks.ac.uk](mailto:PrimaryCareNursing@bucks.ac.uk)

There are a range of support mechanisms available both academically and practically, please don't hesitate to reach out to us.
